Murcia, August 2026

Hello.

I have taught yoga since 2019. I do not sell an aesthetic. I guide practice: body, breath and attention. Studio, 1:1, teams.

At Mood Fitness (Murcia, González Adalid 12, ground floor) I taught through June 2026. Ownership changed: the new managers also teach. The slot ended. I did not. María José, Mariángeles and Patricio — and others — were there from the start. Some still come at 8:30, Monday and Wednesday.

Before that: corporate yoga at Majorel for Google / YouTube teams. Before that, Shaolin. I have no Instagram: the portfolio and the CV are enough.

I am looking for an honest room. Multi-level, no performance, method. For now: weekends, evenings and nights. If that fits, let's talk.

Thank you for your time.
