Murcia, September 2026

Hello,

I have taught yoga since 2019. What I offer is presence, breath and real practice — not an aesthetic. Multi-level studio classes, one-to-one sessions and team work, always with method and warmth.

Through June 2026 I taught at Mood Fitness in Murcia (González Adalid 12). After a change of ownership the slot closed; I continue teaching. Before that, as Wellness Ambassador at Majorel, I ran yoga and wellbeing programmes for Google and YouTube teams. My foundation in discipline and presence comes from Shaolin Temple.

I am looking for an honest multi-level space: body, breath and attention, with method and without performance. For now I am available weekends, evenings and nights.

If that sounds like a fit, I would welcome a conversation or a trial class. Thank you for your time.
